Employee evaluations were conducted and the Council thanked the staff for their work and dedication. City Administrator, Barbara Wilson, 90 day review period is over. Her accomplishments during this time include progress on records management (maps, plats, ordinances, coursework on legal requirements), IT (emails, servers, project mg, ideas for communications with citizens), accounting (general ledger, chart of accounts, reporting), office organization (direction and help for Joan, reports from Peter and law enforcement), project oversight (roads and drainage, ESD financial analysis, draft budget preparations) working with other agencies (Travis County: fire, ems, TNR, ESD 14, VFD, TWDB, LCRA,

ILA with Jonestown, parks and committees ordinance, land development code) day to day (responding to complaints, dog, tree, drainage, work with Volente park volunteers, processes/procedures). Many of these items and issues have been languishing for years due to lack of time on the part of our volunteer city officials.
